<https://www.linkedin.com/in/gianni-antonio-manilia/>

I'm a backend engineer with a bachelor's degree in computer engineering and experience in several industries like travel, billing and customer relationship management.

## **WORK EXPERIENCE**

BACKEND ENGINEER   N26, Barcelona, Spain	03/2024 – Present
SENIOR SOFTWARE ENGINEER   eDreams ODIGEO, Barcelona, Spain	10/2022 – 02/2024
Collaborated with architecture to define the best solutions for our products. Led technical and design interviews. Mentored engineers, developers and new joiners. Supported new teams developing products within our integration.	
SOFTWARE ENGINEER   eDreams ODIGEO, Barcelona, Spain	08/2021 – 09/2022
Developed and maintained integrations with external providers, improving the code base and offering a great product to our customers. Proposed and led initiatives to increase the quality of our products and reduce costs.	
SOFTWARE ENGINEER   IFIN Sistemi, Padua, Italy	06/2020 – 07/2021
Developed and optimised fintech web services for software houses and system integrators, following the best practices for RESTful APIs. Contributed to architecture decisions. Delivered on full life cycle software components.	
SOFTWARE DEVELOPER   Opensymbol, Vicenza, Italy	10/2018 – 03/2020
Developed and optimised SugarCRM as per client requirements. This job helped me acquire the ability to analyse and solve issues on my own while understanding business cases and keeping continuous and direct contact with the clients.	
JUNIOR ANDROID DEVELOPER   Kratos & 2WaySports, Caracas, Venezuela	06/2017 – 08/2017
Developed Colombia's national soccer team Android app
